

Dstny – Delivery Project Manager

About the role

- As a **Project Manager** at Dstny, you're the driving force behind new projects. From kickoff to delivery—you've got it covered.
- With your team, you build a solid project plan using the right-fit methodologies. Familiar with Prince2 or PMBok? That's a definite plus!
- You gather the input needed to deliver the project on time and with top-notch quality.
- You're the go-to person for the client and coordinate smoothly between internal and external stakeholders.
- You decide which tasks to tackle yourself and which to delegate to engineers or project teams.
- You keep a close eye on progress and quality.
- You communicate proactively with everyone involved and keep all parties aligned.
- In this role, you inspire and coach your project team to bring their A-game.
- You set clear agreements with the client—and make sure they're followed through.

What we're looking for

- You've got a bachelor's or master's degree in electronics or IT-or equivalent hands-on experience.
- You have an excellent command of **Dutch AND French, complemented by a good knowledge of English.**
- You know your way around IT and/or telecom.
- You bring **at least 3 years of relevant experience as a Project Manager and/or Project Coordinator.**
- PMBok, Prince2, SCRUM, Agile? an important asset.
- You're organized, structured, and work independently like a pro.
- You're a great communicator, flexible, and have a growth mindset.
- **You embrace challenges with confidence and stay calm and focused under pressure**

What you can expect

Our offer

- **Competitive salary**, based on your experience
- **Permanent contract**
- **Electric company car** with charging card or a flexible **mobility budget**
- **Meal vouchers** (€8/day) and **hospitalization insurance**
